

Welder:**Job description:**

Cadman Power Equipment, located in Courtland, ON is a designer, manufacturer and global distributor of irrigation and manure management systems, and high-volume fluid transfer solutions within the oil and gas industry. With more than 70 years of commitment to our customers in our community, our company is looking for positive, hard-working people to join our Cadman Crew!

We currently have an immediate opening for a Welder on our day shift.

What's in it for you:

- Competitive wages
- Comprehensive training, with a strong focus on safety
- Company Group Benefits Plan
- Company Retirement Savings Plan
- Plant shutdown week between Christmas and New Years
- Opportunities for advancement

Core responsibilities include, but are not limited to:

- Read and interpret blueprints, schematic designs, and application and weld symbols to create a quality product.
- Operate manual or semi-automatic welding equipment to fuse metal segments using gas metal arc welding.
- Operate manual or semi-automatic flame-cutting equipment.
- Examine and inspect welds to specifications and an aptitude to produce a quality product. Conduct repairs, modifications and retrofits as necessary.
- Safely operate an overhead crane.
- Work in compliance with the Occupational Health and Safety Act as well as company policies and procedures.
- Wear and use all required personal protective equipment and devices as required.
- Other duties as assigned

Key Skills and Qualifications:

- Min 3 years previous welding experience with TIG welding.
- Experience with aluminum considered an asset.
- Must pass a weld test (candidates provide own helmet and gloves).
- Strong blueprint reading capabilities.
- Overhead crane operator experience preferred.
- Ability to use hand and power tools.
- Ability to lift 25+ pounds.
- Positive mindset with strong attention to detail and quality.
- Willingness to work overtime or adjusted hours as required.
- Reliable transportation required.

Wages are based on knowledge, experience and certification(s).

Cadman Power Equipment welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

We thank all applicants for their interest; however, only those chosen for an interview will be contacted.
