Hg Vacuum = Lift in Feet

CADMAN HAND PRIMERS

Features a large 9" rubber diaphragm that will help fill the suction line quickly and get you up and running. Modular design and construction make maintenance a breeze and are built to last.

CORROSION RESISTANT

PORTBALE POWER PRIMERS

CADMAN PORTABLE POWER PRIMERS ARE A QUICK AND EASY WAY TO PRIME YOUR PUMP.

Portable Power Primer for your gas and diesel engine-operated pumps. You only need one power primer to prime most pumps.

TAKE IT WITH YOU ON YOUR:

-ATV

-UTILITY VEHICLE

- PICKUP TRUCK

Cadman can make your life easy with its line of power primers for ease of pumping. Each Cadman Power Primer has a heavy-duty 30 CFM vacuum pump that can prime most suction lines in less than a minute. Our most popular model, the 12 Volt Power Primer is made with a genuine 12-volt electric motor. Not a starter motor like some of the competition.

PRIMES PUMP IN LESS THAN A MINUTE!

Cadman Portable Power Primer

Oil Reservoir 3L
